Fundraiser - Spring Semester

If anyone has ideas for a possible fundraiser in the spring semester, please email them to Lyndsay by December 1st. Students that are thinking about attending the IFT Annual Meeting and Food Expo (June 6-10) in Anaheim, CA will be required to help at this fundraiser. The more money we raise, the less you will have to pay to attend the conference.

Social Committee

Alex Youst passed around a sheet with a few social ideas for the spring. Some of the events include Broomball, snow tubing, movie night, etc. If you have any suggestions, please email them to Alex (ajy5029@psu.edu).
